Reflection Of Life
Obituary

Johnny Franklin, a native of Fort White, Florida moved to Vallejo, Ca. in 1952. After moving to Vallejo he attended high school for approximately six months. On April 3, 1953, he enlisted in the United States Army and served during the Korean Conflict. After completing his tour, he received an Honorable Discharge on April 2, 1956.

He returned to the city of Vallejo, Ca. and thereafter enrolled in the California State Apprenticeship School of Carpentry. After graduating, he was employed as a full fledge journeyman carpenter at Fort Ord then later at Moffett Field. While employed as an Engineer Technician, he was responsible for multi-million dollar contracts. at the Naval Post Graduate School. Some of his greatest accomplishments include being employed with the Civil Services, receiving many citations for the buildings he constructed and the quality of his work from the US Army and the US Navy.

In 1959, during a revival meeting, the young Johnny Franklin was saved under the ministry of the late Bishop Rucker. He served under the late Bishop S.R. Martin during that time. Four months after receiving salvation he accepted his call to the ministry and served in the following capacities: The Senior Choir, Mother White's Templelite singing group and Jr. Pastor.

In 1964, while Johnny was singing for the Senior Choir, Irma was singing with the trumpeters. Irma was attracted to that very special singing voice. They met, fell in love and on Feb. 13, 1965 were married. His favorite song that he would sing to her was "You Are So Beautiful To Me." It would always melt her heart and make her smile.

In 1965, Elder Franklin moved to Salinas and placed his membership at Royal Family COGIC, under the pastoralship of the late Pastor Herman Simpson Sr. There he served as Sunday school teacher of the men's class, Sunday school superintendent YPWW teacher, choir president, and assistant pastor for nearly 12 years.

In 1978, Elder Franklin received his Associate of Arts Degree from Hartnell College. In 1979 he was accepted to San Jose State and relocated with his family to San Jose and placed his membership at Prayer Garden COGIC under the leadership of the late Bishop M. Mathis. There he served in the senior choir and taught the New Converts Class.

In Loving Memory From Your Loving Wife

Dear Johnny (Sweet Heart as you are to me)

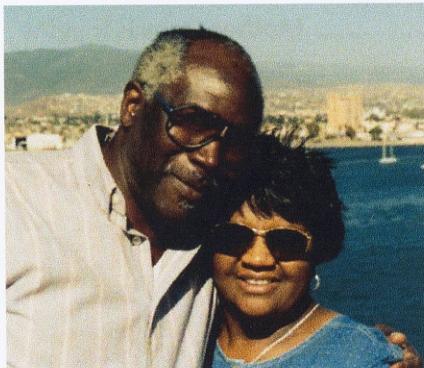

Though you are not with me physically, your spirit is here now with me and always will be.

I had no desire to marry a preacher or a pastor but it was God's plan. He gave me the best. Next to Jesus you were the best thing that ever happen to me. You melted my heart with your singing and my German chocolate cake melted

yours (and your stomach). We fell in love, got married and the rest is history. You are my husband, my lover, my very best friend, my buddy, my joy and without a doubt, my unforgettable love. God truly gave me the best.

You were a great, sincere and considerate pastor. You were an anointed teacher, preacher and singer. You loved the Lord, your family, the Royal Family Church, and all God's people. You always went out of your way to reach out to people. You touched so many lives of all races.

Your great sense of humor always made me laugh. You brought me Sees candy and roses any time just because you loved me. I have so many memories to cherish forever. (The Weeping Preacher) To my great big "Banana Pudding." Until I see you again.

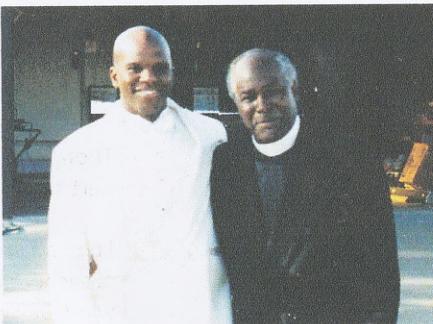

Always your Baby,

Irma

Love Notes To Our Daddy

My Dad, my Hero, my Role Model, my Friend, my Confidant, my Advisor. He loved me and he disciplined me with love. He loved my family. He taught me to love God and do his will and my life would be blessed. I will miss him greatly. I know he is rejoicing and resting from labor. My Dad is in the place where there is no more sickness, no more pain, no more heartache or disappointment. As blind Daniels would say every day is howdy, howdy and never good-bye. Tharon Franklin

I miss you. I miss your smile, your laugh, and your voice. I miss the way that you would call for me; "Hey Burch." It is extremely difficult facing the reality that you are gone, but I am comforted by the FACT that you are in eternal peace. I will love you forever. Put a pole in the water for me until I get there. Burchell

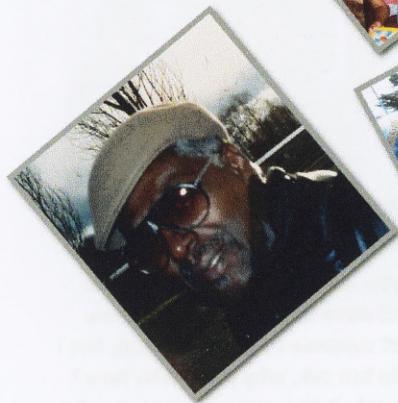

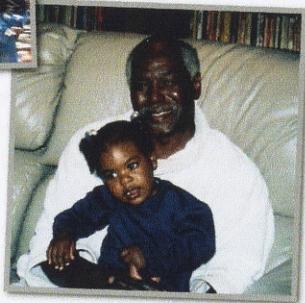

Aloha Daddy,

I'll miss calling you every morning and hearing you say "Is that Ms. Hawaii calling and checking in?" I'll miss talking to you and you telling me "hang in their daughter, every things going to be alright." I never would have made it without your encouragement and love. I know your rejoicing with the angels and have no more pain and you have peace. Daddy, we'll always love you very much and you're in my heart. Until we meet again... Love you, Victoria

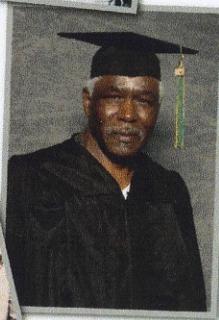

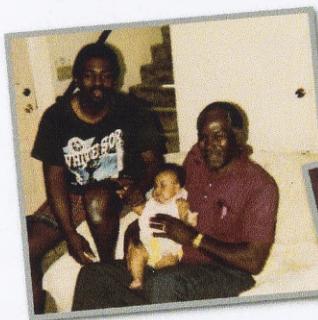

Daddy, you will be greatly missed. You loved and were loved by many. I know we're not suppose to question God, but I can't help but ask, why you? Why now? And his reply is because you were ready... So rest with the Lord and I'll see you again someday. Love your Baby Daughter Kelly

God's Promise

God never promised a life without pain,
Laughter without tears or sun without rain.
But He did not promise strength for the day,
Comfort for the tears and the light for the way,
And for all who believe In His Heaven above
He rewards their faith In His everlasting love.

We Thank You

Perhaps you sang a lovely song, or sat quietly in a chair,

Perhaps you sent a floral piece, if so we saw it there.

Perhaps you spoke the kindest words, as any friend could say.

Perhaps you are not here at all, just thinking of us on this day.

Whatever you did to console our hearts,

May God Bless You Always
